Please note, some investment companies release their Net Asset Values (NAVs) less frequently than daily. For example they may provide NAVs on a weekly, monthly, quarterly or even semi-annual basis. This means that the estimated NAV shown below, and the associated returns and discount/premium to market price, will not necessarily reflect recent market movements. **This includes all historical data held both in Advanced Compare and the PDF archive.** The latest month end information will be made available on or around the 7th working day of each month. Performance is in the traded currency of the company.
